Rights of Common: Thur 19 Oct

Join the New Forest Association on a visit to the historic Verderers’ Hall to view the definitive map detailing rights of common. Follow this with a circular walk around the inclosures of Lyndhurst to visit a marlpit, some prepared fuelwood, and to stumble upon some pigs and ponies and see how they are connected to the commoning rights.

Refreshments available in Lyndhurst at the start and end of the walk, or feel free to bring your own.

The distance may vary depending on the location of the pigs and ponies on the day. No dogs please.
