

# Brockenhurst to Lyndhurst circular

A delightful loop between two New Forest villages.

Starting from the village of Brockenhurst, this cycle ride travels through beautiful New Forest woodland and open landscape along dedicated gravel tracks.

The opportunity to stop halfway in Lyndhurst is highly recommended. Take time to look around the New Forest Centre and learn all about the area's unique landscape and history. The village is also an excellent place for refreshments and gift shopping.

**Be Forest Friendly:** Your food and litter could harm the ponies and donkeys. Please take your litter home if bins are full.
